IDESCO

Take control of your overall security.

Training

Support and other services

We are happy to share our decades of experience – and expertise – about RFID product and technologies. It is why we organise a variety of trainings at Idesco headquarters, other sites and online with syllabi customised to your need. Some issues are best solved onsite. Or we can visit you or your end-customers for focused onsite training.

- Product trainings
- Technology reviews
- Webinars
- Other support services
